PETITION TO INTERVENE

Midlands Utility, Inc. (Midlands) hereby petitions the South Carolina Public Service Commission (Commission) pursuant Rule R. 103-825 of the Commission's Rules of Practice and Procedure, to intervene as a party of record in the above-referenced Docket. In support of this Petition, Midlands states the following:

1. On April 15, 2011, Carolina Water Service, Inc. (Applicant) filed an Application with the Commission seeking a new schedule of rates and charges for water and sewer service for its customers in South Carolina.
2. The Commission has assigned Docket No. 2011-47-WS to this matter.
3. Midlands is a privately held South Carolina corporation organized for the purposes of providing sewer treatment and sewer collection only services to certain customers in Lexington, Richland, Orangeburg and Fairfield Counties.

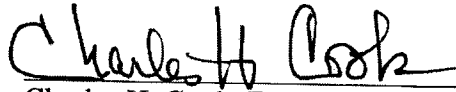

4. Midlands provides collection only sewer services for approximately 416 customers of the Vanarsdale subdivision in Lexington County.
5. Midlands transports the sewage collected from its customers in the Vanarsdale subdivision to the Applicant's wastewater treatment facilities.
6. Midlands pays Applicant for its treatment services pursuant to rates set out by a bulk treatment agreement approved by this Commission; in turn Midlands charges its customers in the Vanarsdale subdivision a tarified rate approved by this Commission.
7. In its application, Applicant proposes to substantially raise Midlands' bulk treatment rates.
8. Since Midlands' rights and interests and those of its Vanarsdale customers may be substantially affected by decisions made by the Commission in this proceeding, and since these rights and interests cannot be adequately represented by any other party in this docket, Midlands respectfully requests that it be granted leave to intervene and participate fully as a party of record. Midlands' participation in this docket will not unduly delay these proceedings or prejudice the rights of any other party. Accordingly, Midlands seeks to intervene in the above-styled docket.
9. Midlands' address is: Midlands Utility, Inc., 816 East Main Street, Lexington, South Carolina 29072.

10. In accordance with Rule R. 103-804 (t) of the Commission's Rules of Practice and Procedure, Midlands is represented by counsel in this proceeding:
